References

Books
Comprehensive but quite dense.

Like an elaborate scrapbook of a fan.

Contains editorial cartoons on all kids of subjects including some on the relations with Japan and the Nikkei community.

Includes a story called “My Field of Dreams” with a personal perspective on watching the Asahis play.

Well written, with insightful and concise perspective on Nikkei history in Canada.

Video
Interviews surviving members of the Asahi baseball team about the Asahis in their heyday, during and after World War II, and including their reception at Skydome.

A review of Japanese Canadian history before more detailed information on the Internment was known.

Web sites
Japanese Canadian National Museum
http://www.jcnm.ca/resources.htm
Features a timeline of Japanese Canadian history and exhaustively lists relevant references.
